February 17, 18 & 19, 2012 at Cal Expo in Sacramento:

We will have a ten car display in the "Pavilion". Our move in day is Wednesday night from 5:00- 9:00.

Use Gate 12 to enter for set up. The rest of the event we should use Gate 4.

Exhibitors will be given a show packet that will contain show and parking passes and lots of other "goodies". These passes will allow us to enter the show one hour early. We will be in the Pavilion building. Please stop by and say hi. If you have time you could help man our booth and answer questions about our FAST club. Wear your "official" FAST uniform. Maybe, we can get a few new members!

JANUARY MEETING SUMMARY

The January Nor-Cal F.A.S.T. meeting was held at the SoCal Speed Shop in Sacramento. This is one of our favorite meeting sites with lots of new merchandise to look at (and purchase) and a whole section of used parts. This location is one of our most popular. We had about fifty people there.

Lee Wilbourne spoke about our club display at the Autorama- See below.

We discussed new California motor vehicle laws and greatly increased fines.

Other topics covered were the swap meet at Turlock, our hill climb (we need a Friday tour guy), and "Haves and Wants". Pat Tobin told how he keeps his wires straight writing on those plastic clips that come on loaves of bread to identify different wires.

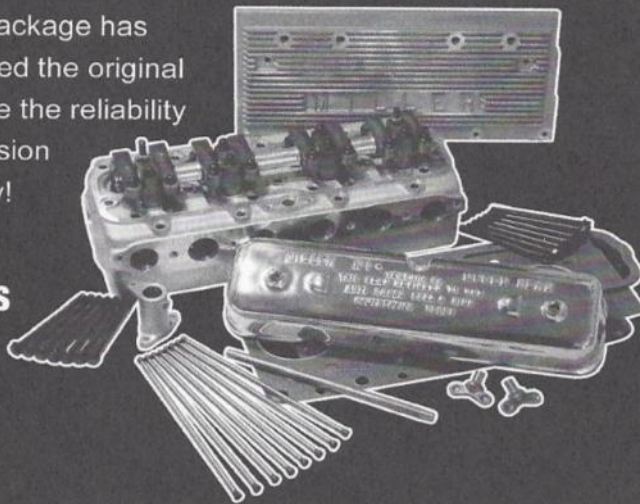

Donna Leek was our speaker. She offers "complete vehicle registration service". There was a lot of interest from the attendees. It just might be possible to get a "pink slip" for that pile of rust out behind the barn. She may be reached @ 530-320-5708, pro.reg.service.com
